

BALLAUGH SCHOOL VISION

PRESENTED BY SCHOOL COUNCIL. JANUARY 2019

**SO, WHAT IS A VISION IN A SCHOOL?
PLEASE DISCUSS THIS WITH A PARTNER
NOW.**

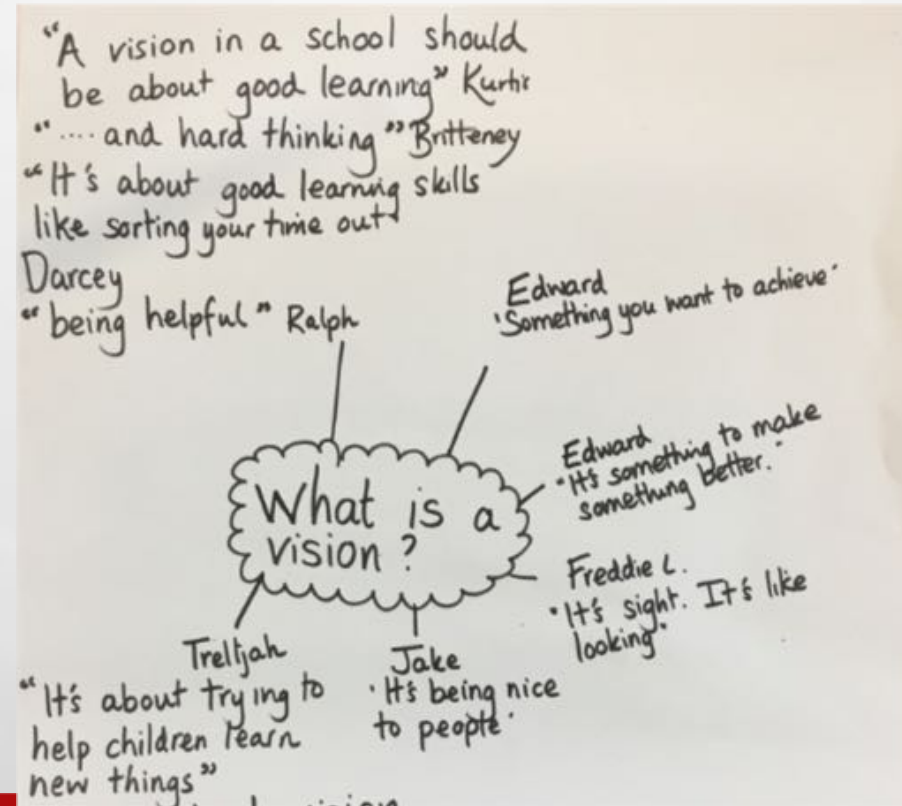

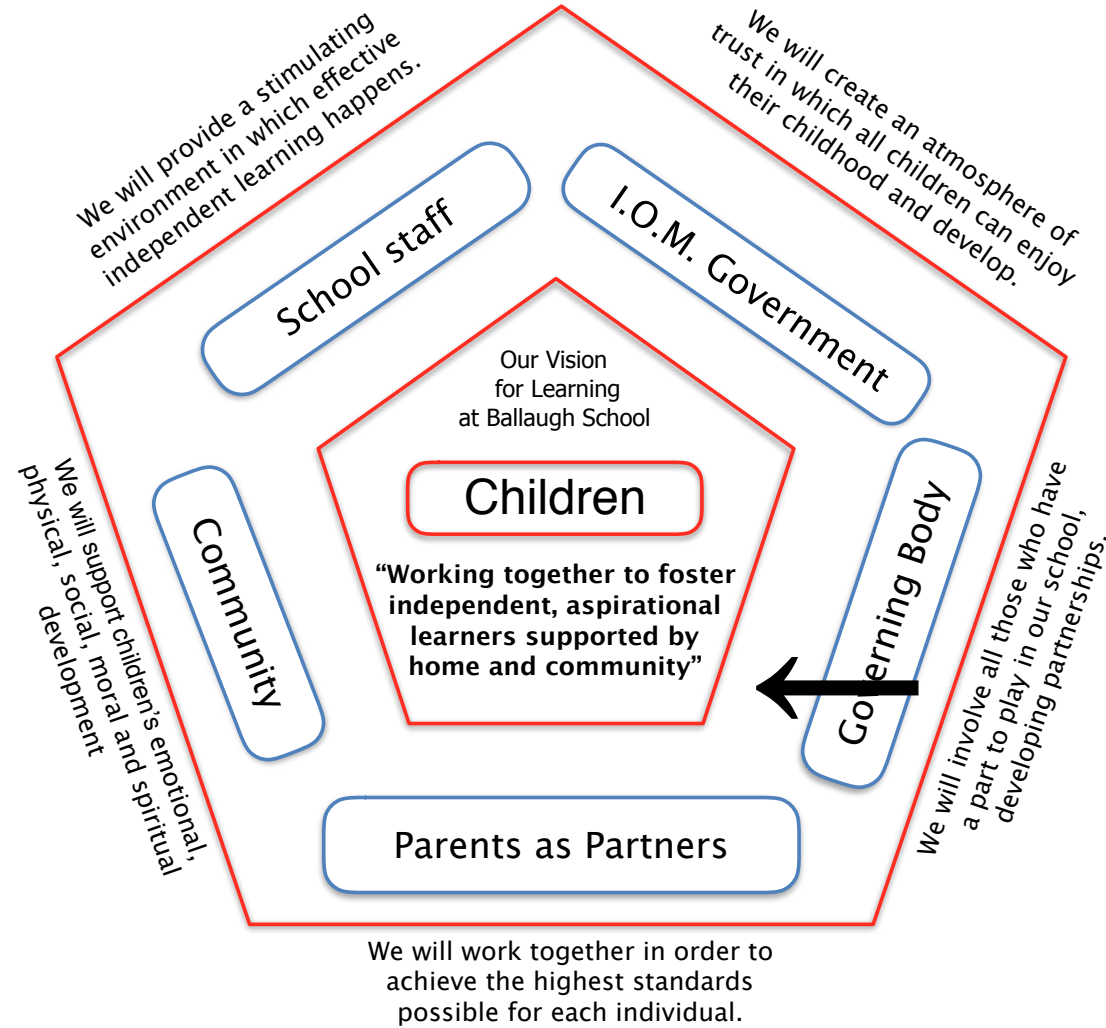

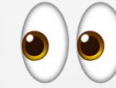

LOOKING AT OUR SCHOOL VISION

- **OUR SCHOOL HAS A VISION.**
- **SCHOOL COUNCIL LOOKED AT THE VISION AND WORKED ON ITS MEANING AND THE IMPORTANCE OF IT TO OUR SCHOOL**
- **OUR VISION CAN BE SEEN ALL OVER THE SCHOOL. IT IS IN EVERY CLASSROOM AND IN OTHER AREAS OF THE SCHOOL. THIS IS SO EVERY PERSON, WHATEVER THEIR ROLE CAN UNDERSTAND WHAT WE ARE ALL WORKING TOGETHER TO ACHIEVE.**

SCHOOL COUNCIL SHARE THEIR THOUGHTS.

WHAT DOES THIS MEAN?

SCHOOL COUNCIL INVESTIGATED!

THESE WERE OUR THOUGHTS

new things
Our school vision.
What is it? We read it.
What does it mean? ^{Being enthusiastic to learn and working together.}
^{Getting people keen to learn + having others to help.}
"Working together" Lucy "....to help people learn" Finlay
"Working in and out of school independently" - Brittenay
"Having people to help you learn" Kurtis
"You don't have to work and learn on your own" Trelljah
"If you get help, you can give help to learn" Freddie
"Work with people at your house to do your learning" Jake
"You can be supported with your learning" Darcey
"Learning together out of school" Ralph

WE REFLECTED ON ABOUT WHAT WE THOUGHT WE NEED TO CONSIDER

What might we need to think about?

5 people said work

Is working the same as learning?

Working together doesn't always mean learning together although you
might learn along the way.
You learn from your work

THE BIG QUESTION WAS, “DO YOU LIKE IT BEING BALLAUGH SCHOOL’S VISION?”

TALK TO YOUR PARTNER ABOUT YOUR THOUGHTS.

THIS IS WHAT WE SAID

Do you like it as a vision?
All agreed it was good.
'It explains what we do at school' Edward
'Tells what we do at school' Britteney
'It brightens up our learning' Darcy.
'I like it because it's kind' Freddie
'It (independent + aspirational) makes people learn' Kurtis
'It's changing us people' Trelljah

SCHOOL VISION TODAY IN
