

# **Ballaugh School Anti- Bullying policy**

School Council presentation. October 2020

# The policy is on the school website

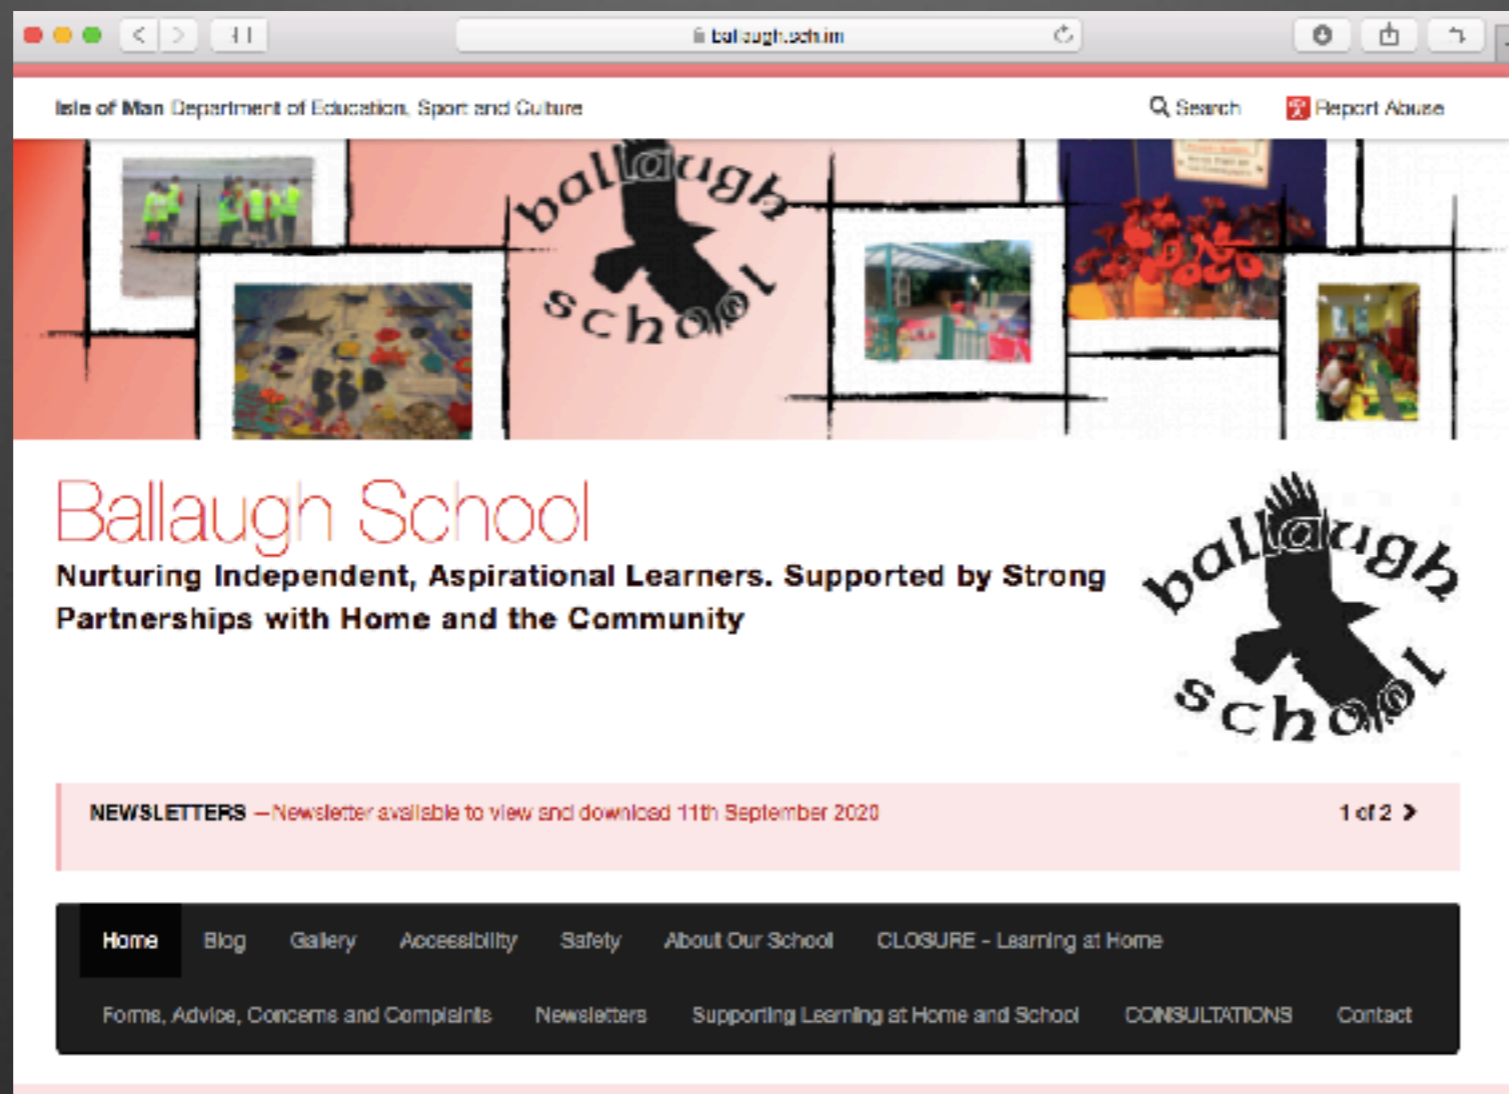

These people should read it

All teachers

All children

All the governors

What is a policy? Are you familiar with it? How does it help us all feel safe?

# **Ballaugh School is a telling school**

We use our values to report what we see, courage, honesty, compassion , kindness and respect. How do these help us in a difficult situation?

# What is bullying?

- Its intentional.
- Its physical or psychological or both.
- It can be on-line too.
- It can be all the time and can take someone's confidence away.
- It can make make you lonely and worried.

# Bullying can look like.....

- Name calling
- Mocking
- Making threats
- Make somebody feel silly
- Play tricks
- Spitting or hurting
- Pushing about
- Unkind messages on-line
- Non-verbal facial expressions

# Why do we need to do something about bullying?

- Bullying hurts
- Everyone has the right to be treated with respect
- People who are bullies need to learn more acceptable ways to behave both in school and outside of school.
- Schools need to be prompt (why is that important) and effective (what would an effective solution look like?)

# Procedures- how Ballaugh School will respond

Tell Mr Cushnie or Miss McHugh

The incident will be recorded and the  
information needs to include

- everyone involved
- where the event occurred
- when it happened
- name of staff it was reported to
- if any action was taken when it was  
reported

School will phone the parents of the  
aggrieved

The bullying will be investigated

# How do we stop Bullying

- Promote the school values
- Take every allegation of bullying seriously
- Talk about bullying and why it matters
- Let all children know the school's policy
