

Lunch time clubs at Ballaugh School

# Sharing lunchtime skills

School Council and friends of School Council have decided to start offering lunchtime clubs which you are invited to apply to join . This presentation will provide you with the information you will need.

From 12.40-1.00pm every day, a club will be offered in the school shared learning area.

The mini-clubs will be run by children in the school who have volunteered to work alongside other children .

- Those successful will meet in the shared learning area after their lunch. All members of the club are responsible for tidying the area before the club finishes at 1pm. Anything borrowed will be returned and the table will be left smart and clear.
- Children are responsible to listen to the rules given by the club leaders and be responsible for their own behavior.
- Everyone is expected to follow the usual Ballaugh School behavior expectations.
- Every mini-club will have a focus and 5 children will be chosen to join. Every day, another mini-club will meet and only the children who have been granted a place will be allowed to stay and join in.
- You are obligated to attend every week, on the designated day until Christmas. Then the clubs will change and new mini-clubs will be set up.

Every week has a new theme

Monday is lego club

Run by Jake and Thomas

Every week is another game!

Tuesday is  
board games  
club

Run by Adam and Oliver

Every week has another theme

# Wednesday Colouring club
