

Use your answers to these questions and to the questions on the final slide to put together a non-chronological report about water. Imagine you have to give a talk to the whole school about it in assembly. Might be a good idea to use google slides to present it. How will you keep your audience interested?

Name: _____ **Date:** _____

What do you know about water? Record your ideas below. Use these ideas to make a speech about water.

How much of the Earth is covered in water?

Where can you find water on Earth?
