

Ardwhallan: Wilderness Ranger

Name:

Age:

School/Group:

Wilderness Ranger Programme

Each week we will run a different themed session, utilising the outdoor environment and exploring different learning ideas. The aim of this course is to allow you to do new, exciting activities and to discover new ways of learning about and understanding the world around us.

Throughout this course we will cover the following topics:

- **Introduction to Nature**
- **Wildlife**
- **Trees**
- **Wildflowers**
- **Ecosystems**
- **Our place in Nature**

In our exploration of these topics we will have an opportunity to do some:

- **Creative Art**
- **Foraging & Tasting**
- **Habitat Creation**

We hope that by the end of the course you will have increased your:

- **Knowledge of nature and the world around us**
- **Understanding of your place in Nature**

Most importantly we hope you will have learnt something and have had some fun!

If you require any assistance with this programme please contact jenny.lantry@sch.im or 07624 375213 during daytime office hours.
